# TREEWARDS

The **Impact Suite** comes locked and loaded with everything you need to delight your learners and deliver business success. But the fun doesn't have to stop there. Thanks to our Power-up options, you can now tap into Growth Engineering's boundless engagement expertise.

Introducing **Treewards**, a Power-up that transforms the Impact Suite into a stronghold of sustainability knowledge and best practice. Bring ecological thinking to your learning ecosystem and use your collective brainpower to reduce your carbon footprint. *Ready, set, grow!*

By integrating with our climate solutions partner, Ecologi, you'll be able to automate climate action based on platform activity. For example, you could plant a tree every time a learner earns a Badge or offset carbon emissions once they achieve an XP target.

Doing good feels good. Treewards helps to protect our environment whilst increasing your team's knowledge, loyalty and morale. *Treemendous!*

Did You Know:
Trees are our plant-based protectors! They cool the planet by absorbing greenhouse gases, storing carbon and releasing oxygen back into the air.
